

CAREER ASSESSMENT WEBSITES

What is a career cluster interest survey?

Everyone has a different way to describe themselves and what they like to do. This survey lets you rate activities you enjoy, your personal qualities, and school subjects you like. Then you can see which [career clusters](#) and/or areas are a match for your interests.

How long will it take?

The surveys will take about 10 – 20 minutes.

What will I learn?

At the end of the survey, you will see a list of career clusters and/or areas that are a good match for your interests.
