Please remember: Make sure to update the school information office and the IB office if phone, mailing address, or any other contact information changes before or during the school year. Incorrect contact information can delay the delivery of important school information, report cards, and correspondence as well as the inability of teachers to make contact with you. Updating the IB office does not update the district school information. You must contact Ms. Rebecca Franco to ensure the school and the district have your updated information.

*The IB office corresponds almost exclusively through email. Please make sure the email address is clear and legible for both parent and student.
