Last Name, First, M.I.

I have read the IB/Pre-International Baccalaureate literature and commit my full support to my child's participation. I understand the eligibility requirements and have provided the requested information for admission to the program.

I understand that the IB/Pre-IB curriculum is rigorous and intense and that there may be a period of transition for my child to adjust. I will ensure that my child has uninterrupted study time daily and will supervise the use of the study time in the most productive way. I will also commit my support to the IB teachers by following their guidance regarding further study in order to ensure my child's successful completion of the program s/he has chosen. I understand that the International Baccalaureate curriculum is prescriptive and as such Pre-IB/IB staff must teach what IB prescribes.

I further understand that as a part of the IB Diploma requirements, my son/daughter will begin CAS (Creativity, Action, Service) the first day of junior year and have all activities pre-approved by the CAS Coordinator. Since CAS hours must be completed beyond the regular school day, it becomes the parents' and students' responsibility to schedule events and transportation to and from events. In addition, and as per Salt Lake City School District pupil progression policy, IB students must complete all other full diploma school requirements (all IB exams, extended essay, etc.). If a student requests to leave the program after grade 9, there will be an exit meeting and the request must be made in writing preceding the beginning of the next academic year. Further, I understand that should my child leave the IB program s/he must meet all graduation requirements as specified by the SLCS and Utah State Office of Education. I understand that I must maintain an **unweighted GPA of 3.0** to stay in the program.
