

What is the Highland High Foundation?

Organized in 1993, the Highland High foundation is a non-profit organization dedicated to improving the educational opportunities offered to students at Highland High School.

Recognizing the need for additional funding for programs beyond the basic activities offered by the school itself, a group of parents and community leaders developed the Foundation as a means of collecting and distributing donated funds to increase opportunities for as many Highland students as possible.

How are Funds Used?

All funds are collected and distributed by a committee made up of representatives from the school administration, faculty, PTSA and parents from within the Highland community.

Donated funds have been used to supplement all academic departments, and have included projects such as providing computers, microscopes and other equipment for classrooms, providing each student with a Rams T-shirt at the beginning of each school year, and providing funding for the school play and other art departments. Other major projects have included the Highland Art

Gallery and the electronic marquee on 2100 South.

What is the "BUY A BRICK" Program?

The program is a way for the many friends of Highland High to express gratitude for its past achievements, support for its current activities, and hope for its future excellence through a monetary donation.

Donations from this campaign will be recognized by the placement of an engraved brick on the Wall of Honor in the Ram Foyer. Each brick will include the name of the individual(s) making the donation, the year and level of donation, and may include a short message.

HELP TO ENSURE THE FUTURE OF HIGHLAND HIGH SCHOOL AND ITS STUDENTS.
