SCC Chair: Steve Prasad

- Welcome – Steve Prasad called the meeting to order at 6:30 am.
- Discussed a few fundraisers.
- Safe walking route plan and emergency plan are both tabled until the next meeting.
- There will be SCC surveys coming to us by e-mail.
- Discussion of “Pick 2.” There doesn't seem to be communication between the coaches and directors of various programs to ensure balance and cooperation and allow students flexibility. This is a good discussion to have especially in light of the increased travel times we will be facing next year. There are a lot of scheduling issues that get tied up in the decisions as well.

Special Presentation: Rosemary Emery, SL School Board Member

- She shared information regarding teacher load and class size for the high schools in SLSD.

Administration: Chris Jenson

- Mr. Jenson briefly discussed how challenging scheduling is going to be next year, especially with consideration of the travel issues in Highland's new region.
- Mr. Jenson discussed the data trends associated with the Freshman Success program. The program's success has been recognized by the State Trust Lands.
- There are capital improvements that are scheduled to start soon at Highland.

District Report: Melissa Ford and Kristi Swett

- Keep track of the pending legislation and urge legislators to support education. The way that charter schools are funded may be changed.

Meeting adjourned at 7:35 am.

Respectfully submitted,

Joan Lind
