District Report:

- Kristi Swett discussed a school funding amendment, S.B. 80 which is being sponsored by Senator Lincoln Fillmore, a Utah State senator. This is an equalizer bill which would take funds from school districts such as Salt Lake and allocate them to districts that have less funding. This bill has passed in the senate but the house has not yet voted. Kristi Swett encouraged the Committee members to reach out to members of the legislature in opposition to the bill which would take funds away from Salt Lake City schools.

- The PTA will provide dinner for the teachers during parent teacher conferences scheduled to begin February 28, 2017.
- To show support for Highland High teachers, the PTA is creating a banner.
- To raise funds, the PTA is ordering Highland High drink tumblers which will be sold at sporting events next year for \$10. Refills during the games will be offered at a reduced price.
