## -DONATE TODAY-

Nearly half of the students at Highland High School fall below the poverty line. Highland Family Support, with the support from the Salt Lake Education Foundation, is FUNDRAISING to try and provide these students with a fun gift and with a gift they need (food, clothing, supplies, technology, etc.). There are so many ways to help out, we are asking that you either donate what you can with \$ or purchase needed items from our Amazon wish list (socks, underwear, jackets, etc.). Click on either link above or below to DONATE TODAY!
