

# Salt Lake Education Foundation FACT SHEET

## MISSION & VISION

To promote student success in the Salt Lake City School District by using private donations to supplement children's educational experiences.

To have our students leave our schools socially aware, culturally sensitive, academically proficient, and as economically viable citizens of our community.

## SCHOOL & DISTRICT SUPPORT

Recognizing exceptional teachers and administrators

Work with donors to create scholarship opportunities

Provide funding to district departments and schools

## FUND & PARTNERSHIP DEVELOPMENT

Help researching possible funding sources

Grant writing trainings and grant review

Grant reporting and donor stewardship assistance

## FAMILY SUPPORT

Options for students who need glasses: Vision Service Plan and school-based vision clinics

Dental sealants, fluoride washes, oral health education and services for students in need of additional care

Emergency gift cards available for families: Walmart and Payless Shoe Source

Assist schools in setting up on-site pantries or maintaining mobile pantries and partner relationship management

Deseret Industries vouchers are available for clothing and small household items (no furniture)

Holiday giving: Angel Tree (low income elementary students) and gift cards (based on population and need)
